Office Memorandum • **UNITED STATES GOVERNMENT**

TO : Assistant Director for Operations

FROM : Acting Chief, Foreign Documents Division

SUBJECT: FDD Monthly Progress Report - July 1952

DATE: 8 August 1952

25X1C

1. A requirement for additional Soviet press coverage of agricultural information is anticipated due to the termination of such service [redacted] Conference with ORR, Department of State, and other members of the Agriculture Subcommittee of Economic Intelligence indicated a desire that FDD take over this work. This would increase the workload in this field about 100 per cent.

2. A staff study on the indexing of scientific articles in Soviet publications was the subject of an informal meeting of FDD and OSI personnel. [redacted] However, FDD may be required to maintain the scientific institutions files as an operational expedient.

25X1C

25X1A

3. Chief, Scientific/Technical Branch, FDD, was named secretary of an ad hoc committee on SIC Project 11/2, Russian-English Scientific and Technical Dictionary. This committee works with [redacted] Department of the Air Force has requested such a dictionary for several years.

4. FDD participation in assisting the Post Office Department to comply to the McCarran Act has been under consideration. Decision on such participation is still pending.

5. Reverse translations were performed for OPC, Office of Training, and for Communications.

25X6

[redacted]

Commentaries on German films were provided Graphics Register on two occasions. Similar service was provided for Department of State in reviewing Chinese and Korean films on Kojé prisoners of war.

25X1A

25X1A

Arrangements were completed for the loan of [redacted] [redacted] for special overseas assignment on temporary duty with OPC.

FDD will evaluate Chinese language training materials to be used by ORR, through agreement between Chief, FDD, and the Office of Training.
